

Scene Japanese Comic Style Test

This is the reference for the final effect we want

Example

AI-generated draft

Manually adjusted version

Test Content

The requirement is to convert the image above generated by AI into the comic style shown below. Please pay attention to:

1. Brush strokes and outlines
2. Hatching
3. The effect of screentone paper
4. Ensure a strong hand-drawn feeling and reduce the AI-generated feeling
5. Any strange text, odd patterns, or objects generated by AI should be removed or optimized

Please modify the image below according to the above examples and requirements, and finish the test in 2 days.
