

Be Gaming Station

Part One

Business Explanation

A company that has dramatically
changed the world

Apple/Google

Collapse after few years

A hand is shown holding a small globe of the Earth. The globe is centered on the Asian continent. The background is dark with a subtle starburst effect emanating from behind the globe. The text is overlaid on the image.

Asia's first project
to take
Hegemony of the world

A hand holding a pen is positioned over a document that has a large, black 'X' drawn over it. The background is dark, and the text is overlaid on the document area.

The world first platform
to add

Value to your daily routine
