What is an eSIM?

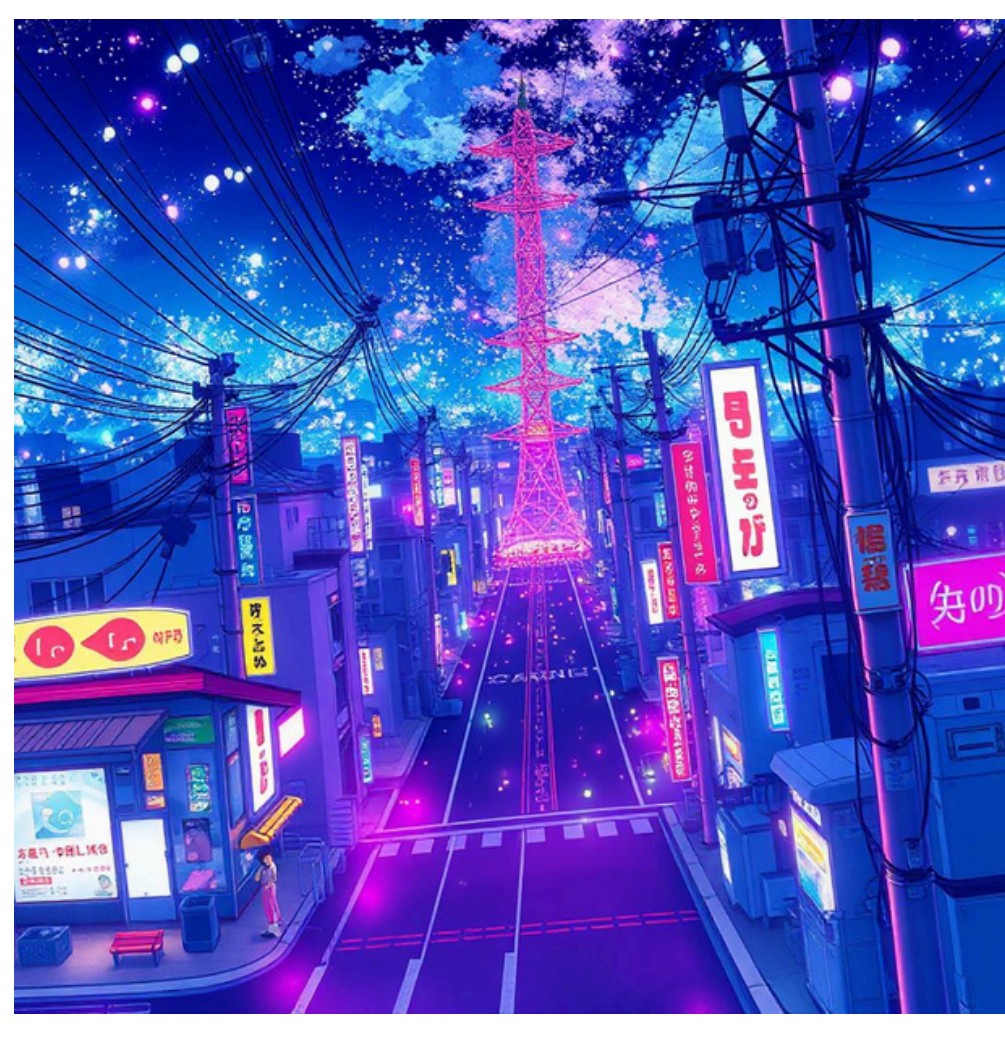

Experience Japan's PREMIUM High Speed!

Connect to the internet like a local! Unlike other service providers, our SIM connects to the local network—NO ROAMING! This ensures a **lightning-speed internet connection**.

Largest Coverage

We use the top service provider in Japan to connect you to the internet. With over 94,000 cell towers all over Japan, you are sure to be **connected, wherever you go**.

Truly Unlimited

TRULY UNLIMITED! Unlike other services that slows down your connection after passing a threshold, **we NEVER speed-cap** or throttle your connection. Enjoy high-speed internet without interruption!

Easy Set-up

Connect to the internet in a few easy steps. Just scan the QR code to install the eSIM on your phone, follow the on-screen instructions, and you're all set up! Easy peasy!

User Reviews

We never lost connection!

There are many eSIM sites available nowadays, so we were at a lost on which one to choose... But this was the right one! **We stayed connected all throughout our holiday.** So convenient to use!
